

Reiplant Hire Privacy Policy

Reiplant Hire is committed to protecting your privacy and handling your personal information in accordance with the Australian Privacy Principles under the Privacy Act 1988 (Cth).

Collection of Personal Information

We collect only the personal information necessary to provide our plant hire and civil engineering services, including contact details, billing information, and employment records where applicable.

Use and Disclosure

Your information is used solely for business purposes such as service delivery, customer communication, compliance with legal obligations, and internal management. We do not disclose personal information to third parties without your consent, except where required by law.

Storage and Security

We take reasonable steps to protect your personal information from misuse, loss, unauthorized access, modification, or disclosure by implementing appropriate physical and electronic security measures.

Access and Correction

You have the right to access and request correction of your personal information held by us. Requests can be made by contacting our office directly.

Retention

Personal information is retained only as long as necessary for business or legal purposes and securely destroyed or archived thereafter.

Contact

For any questions or concerns about your privacy or this policy, please contact Reiplant Hire.
